

# Churchlands Senior High School Virtual Orientation – Quest Guide

Welcome to Churchlands Senior High School’s Minecraft World! We want you to explore our school as much as possible, so feel free to take your time and wander around. There are sign posts which provide you information about the school, as well as secret codes found at different locations.

Right click on the sign posts to reveal useful information about the area you are in!

Right click the button at each key location to reveal a secret code!

Use your sample timetable and school map to find your way around.

There are 20 key locations around Churchlands Senior High School for you to find. Each contains a secret code.

Here are some hints:

- Nine of the locations are on the timetable!
- The Science, Technology, Engineering and Mathematics (STEM) Hub of the school
- The places you’d collect laboratory equipment in Science (we have two Science buildings!)
- Where you might go to watch a show
- The place where you can study, or chill out with some fiction
- The only place Year 7s can kick a soccer ball
- Where to go if your computer isn’t working
- A bus might take you here
- Where you go if you need any adult help or advice at school
- Where you can go swimming
- The place where you should seek any medical help

Once you have your secret codes, you simply add them up to get the super code and go to the secret website.

Here you can register to receive your prize.
